## W.R. Cobb Wants You To Be Satisfied

Ballou-Dama, the newest addition to the W.R. Cobb Company family, embraces a philosophy to provide the same service to all our customers in their time zone, in their language, for their specific market needs. International customer service representatives are located all over the world. Ballou-Dama is located in East Providence RI and has translators in several languages to accommodate our customers, both in the United States and overseas.

# FISHHOOK STOPPERS

Our clear fishhook stoppers are the best way to keep earrings securely attached to display cards during shipping and at retail. And, they help to prevent theft by making earrings more difficult to remove from cards. With an easy-to-handle ridged design, and at less than a penny a pair, our fishhook stoppers are the perfect complement to your ear wire designs. **We recommend .027"-.030" for the optimal post or wire size.**

# PLATING SLEEVES

## MANGAS CUBRIDORAS

Our plating sleeves hug the post securely, preventing contamination and blackening of the earring post. Easy to slide on and remove, they are quick and efficient to use. We use only quality materials, so these sleeves are safe to use time after time.

# SAFETY-BARBS™

Elastic Safety-Barbs are specially designed so they will not injure you, your carding personnel - or your customers! Our unique barb end is shaped so that it will not puncture the skin yet can be easily threaded through the display card. All Safety-Barbs are made with quality materials and are securely attached so they will not separate – even when pulled extensively.

NOW AVAILABLE IN CUSTOM PANTONE COLORS

## TIRAS ELASTICAS

**Length:** Available in any length (minimum length of ½"). Our barbs are measured by the elastic only, not tip to tip.

**Color:** Stock colors are black and white. Other colors are available for volume orders.
