# STERLING SILVER CLUTCHES

## CONTRAS DE PLATA – MARIPOSASA/ ARETES

Also Available With Your Custom Logo

All our sterling silver clutches have an anti-tarnish finish and the sterling assay is guaranteed at .925. Our sterling silver bullet clutches are wider and longer for easier handling. They are more comfortable on the ear and hold a heavier weight earring. Our sterling silver butterflies also have an anti-tarnish finish and can fit posts up to a .030" diameter. The groove keeps the post straight. These items come in five different patterns to satisfy every customer. We recommend using our PRC-Series posts, found on Page 3.
